Items that were updated for June payment are Growth and type 03 tuition if budgeted for, increase for composite score, and FY2000 Pre-K & Pre-1<sup>st</sup> ADM adjustments. The full state aid amount of composite score for all districts and charters was greater than the appropriations limit and therefore the composite score amount was adjusted down proportionately (see Equalization Assistance and Additional State Aid Adjustments on page 4 of the APOR64-1).

The counts/data displayed on the APOR55-1, page 1, reflects the counts/data at the time of the calculation. If data has been submitted after the calculation date, the student counts on the APOR55-1 and the ADMS 46-1 may not match.
